Response and Amendment

Assistant Commissioner for Patents
Washington, D. C. 20231

Dear Ma'am:

In acknowledgement of the non-responsive, yet bona fide response to the Office Action dated September 2, 2003, please enter the following response and amendment..

Introductory Remarks

A restriction/election requirement was made in prior communications with Examiner Fetzner. Applicant agreed to elect without traverse group I, including claims 1-24 and 28-32. Claims 25-27 are withdrawn. The remainder of the independent claims, claims 1, 14, 28, 30 and 32 have been rejected under 35 USC 112, first and second paragraphs. The remaining dependent claims have been rejected as depending from rejected claims. Applicant has

amended claims 1, 14, 28, 30 and 32. Claims 1-24 and 28-32 remain under consideration in this application.
